AUTHORIZATION FOR EMERGENCY MEDICAL CARE

When there is a medical emergency, or when a child needs immediate medical treatment, Ka Hana Pono Daycare will take all reasonable steps to see that the children in their care receive adequate medical care and will attempt to contact the child's parents/guardians at the time of illness, accident or injury. All of our Teachers are trained in both first aid procedures and CPR. However, It is understood that in a serious emergency, 911 and the paramedics will be called before the parent or other adult acting on the child's behalf is contacted.

Medical Release

I understand that every effort will be made to contact me in the event of an emergency requiring medical attention for my child. For major injuries/medical emergencies, a staff person stays with the injured/ill child until a parent/guardian or emergency contact arrives, including during transport to a hospital. I understand in the event that my child must require immediate medical attention and the parent/guardian(s) cannot be reached after calling 911:

1. Ka Hana Pono has my permission to contact my child's doctor or another physician/health resource.
2. If the parent/guardian is not available Ka Hana Pono will call the person(s) listed below who are authorized by me parent/guardian to give permission for the medical treatment of my child; or
3. If the parent/guardian(s) and the authorized person(s) cannot be reached, permission is granted for Ka Hana Pono to obtain whatever treatment may be deemed necessary and/or to make sure my child gets to the nearest medical facility if necessary. Notice is hereby given to any health care provider that Ka Hana Pono Daycare & Preschool Staff are fully authorized to obtain the necessary evaluation and treatment. I authorize emergency and hospital staff to provide the appropriate medical treatment for my child.

My signature below certifies that my child is to my knowledge, in good health, and free of disabilities that would endanger him/her or other children.
